❖ Style-2 has detachable backboard, 5 flutes and is bucket shaped. This was mostly used on cars exported out of the UK and it should be noted also that there was some over-lap on the Series MM and Series II as both were built during an overlapping period.

❖ Style-3 is an envelope cover with 5 flutes and is bucket shaped.

❖ Style-4 has 5 flutes and is of a flat design.

❖ Style-5 has 4 flutes.

❖ Style-6 is duo-tone.

❖ Style-7 is of late design and has a heat-formed pattern. Fixed only
